- CH2008 License Levels 1-4 are multi-user (network) license levels permitting usage on an unlimited number of computers at the organization’s site – as well as any home/personal computers of staff members or volunteers.
- CH2008 License level storage limitations (for Levels 1-3) apply to Household (family) records and Contact records (Contact records are used in the “Contacts” module of the CH2008 program for storing vendors, other church contacts, out of state contributors, etc.). There is no limitation placed on the actual number of Individual (people) records in the database for any level.
- All support plan subscription pricing shown with 20% discount for ordering support plan at the time of the initial software purchase. This discount does not apply if ordering support plan at a later date.
- CH2008/100, CH2008/300, CH2008/600, and CH2008 include a 30-day money-back guarantee.
- CH2008/100, CH2008/300, CH2008/600, and CH2008 include a free initial 60-day startup support period which provides unlimited technical support and software maintenance coverage (additional support coverage beyond this period is available on an annual subscription basis).
- If an annual support plan is included with the software purchase, the support plan subscription will begin after the free initial 60-day startup support (you’ll actually receive 14-months of coverage this way).
- Pricing subject to change without notice (check our website at [www.helpmate.com](http://www.helpmate.com) for current information).
